What is the Academy?

• 12 month timeline

• 3 in-person 2-day workshops
  – Interactive exercises
  – Applying skills to case studies
  – Planning, executing, and presenting on demonstration project

**Demonstration project** = temporary project to reduce speed on a dangerous local corridor through creative place-making, tactical urbanism, or engineering measures
What is the Academy?

• 6 monthly distance learning modules
  1. Planning and designing for active transportation
  2. Planning and designing for transit
  3. Creative place-making and prototyping to reduce speed
  4. Designing and operating for Vision Zero
  5. Traffic operations overview
  6. Planning for freight logistics
Who is the Academy for?

• Cohort of 10 practitioners from each jurisdiction including:
  – Managing public works engineers
  – Managing & mid-level transportation engineers
  – Managing transportation planners
  – Transportation budget decision-makers

• 3 jurisdictions will be selected for the Academy
Who is the Academy for?

- Eligibility criteria:
  - Population of at least 100,000
  - Have adopted at least one of the following:
    - Bike/pedestrian master plan
    - Complete Streets policy
    - Vision Zero policy
    - Multimodal design guidelines
  - Must commit to all requirements of the Safe Streets Academy
Who is the Academy for?

• Requirements:
  – Send the 10-person cohort to all trainings & participate in all distance-learning modules
  – Complete a demonstration project
  – Raise $8,000 in matching funds/in-kind donations for the demonstration project
  – Work with us to produce a case study on the demonstration project
  – Host one in-person training (meeting space, breakfast & lunch, transportation to site visit)
  – Present safety recommendations to local DOT & community
How to apply

• Submit a completed application at: https://smartgrowthamerica.org/safe-streets-academy/

• Answer a series of questions about your jurisdiction’s safety priorities

• Include a letter of endorsement from a local elected official

• The deadline to apply is Sunday, July 16th

• Finalist interviews the week of July 31st
