Sponsorship Opportunities & Partnerships

The National Complete Streets Coalition is proud to partner with Transportation for America's Arts & Culture team for our second national Complete Streets conference.

The premier convening of national leaders in Complete Streets and creative placemaking. Save the date and take part in the movement on **April 3-4, 2018 at the Nashville Music City Center**. Building on the momentum from Street Lights, our first Complete Streets conference in November 2016, Intersections will take our implementation and equity work to the next level. But how can arts and culture help us get there?

Scores of communities are finding practical ways to integrate arts and culture to create streets that not only are safe for everyone, but also better reflect the unique character of their communities.
