

# LEARNING JOURNEYS

**TUE NOVEMBER 17, 2020**

## **TOWN CENTER: Networking Session**

Connect with the people you'll be learning and collaborating with throughout the Virtual Learning Journeys, including the members of each delegation, the SGA team, and the Knight Foundation folks supporting this initiative.

**4:00 - 5:00 pm ET / 3:00 - 4:00 pm CT**

**TUE JANUARY 5, 2021**

## **VIRTUAL COMMUNITY ENGAGEMENT**

This session is focused on providing local leaders, developers, and advocates with tools and examples for every stage of community engagement -including outreach, research and education, involvement, collaboration, and long-term shared leadership- to keep our communities moving forward during times of Covid-19. We will explore tools and techniques for virtual engagement and discuss some of the equity considerations that must fundamentally guide the community engagement process.

**10:00 - 11:30 am ET / 9:00 - 10:30 am CT**

**TBD JANUARY, 2021**

## **WORKSHOP: Delegation Strategy**

**TBD**

**TUE MARCH 2, 2021**

## **RECALIBRATION ROUNDTABLE**

**4:00 - 5:00 pm ET / 3:00 - 4:00 pm CT**

**TUE DECEMBER 8, 2020**

## **PARTICIPATORY PLACEMAKING**

How can we turn spaces into places that are attractive, safe, and accessible for everyone in the community? In this session, we will explore a few different approaches to placemaking and define what "participatory" means in this particular context. We will also learn about how placemaking relates to different elements of social life and think about how each participant can integrate placemaking practices as a strategy to advance their work.

**10:00 - 11:30 am ET / 9:00 - 10:30 am CT**

**TUE DECEMBER 15, 2020**

## **HAPPY HOUR: Weather Edition**

Brainstorm session to consider different methods to keep outdoor public spaces active through challenging weather conditions

**4:00 - 5:00 pm ET / 3:00 - 4:00 pm CT**

**TUE FEBRUARY 2, 2021**

## **PLACE GOVERNANCE: Management & Funding**

In this session, we will examine the role of public administration, private parties, and third sector organizations in the management of different types of public places. We will discuss dynamics of interdependence and collaboration among stakeholders, explore some techniques to foster coordination and collaboration among parties within the governance structure, and talk about the importance of relying on a cohesive stakeholder engagement plan to maximize the benefits of placemaking including different funding models.

**10:00 - 11:30 am ET / 9:00 - 10:30 am CT**

**TBD FEBRUARY, 2021**

## **WORKSHOP: Delegation Strategy**

**TBD**
